Rolando Canteros. I've been a part of this community for nearly 3 years. I work for the NY MTA taking care of city buses under warranty contract. I currently supervise 16 individuals on the overnight shift. My duties include overseeing: Inventory, warranty work start/end and ensuring that my team is doing quality work. I do believe that my skills in dealing with people and technology will help this community.

Matt Chapa. I am interested in joining the PMLE 5,6,7 board. My wife, Katie, my son, Charlie, and I moved to the community last summer. I have great computer skills, as well as experience in dealing with people in all types of settings. I would love to be on the board and be part of the decision-making processes involved with making our community a better place for all families who call PMLE 5,6,7 home.
